

MBBS SCHOLARSHIP OPPORTUNITY

\$15,000!

ABOUT US

- **MISSION GLOBAL** is a team of passionate education professionals committed to guiding students through every step of their journey to becoming a doctor. With years of experience in international education, admission counseling, visa assistance, and career planning, we help NEET aspirants turn their dreams into reality.

We work closely with top-ranked medical universities that are recognized by the National Medical Commission (NMC), World Health Organization (WHO), and other respected global medical authorities.

At Mission Global, we're more than a service provider — we're your trusted academic partner. From the first consultation to your university admission and beyond, we build strong, lasting relationships with students and their families — offering honest guidance, reliable support, and a clear path to success.

PROGRAM INTRODUCTION
